4. USE OF PREMISES: Lessee shall use the Leased Premises for general office use and for no other purpose.

5. AIR RIGHTS: This Lease does not grant any rights to light, view or air over adjacent property, and any diminution or shutting off of light, view or air by any structure that may be erected adjacent to the Building shall not affect this Lease or impose any obligation or liability upon Lessor.

6. CONDITION OF PREMISES; INSURANCE: The Leased Premises, its fixtures and appurtenances, including, but not limited to, glass, locks, keys, and other fastenings are received and acknowledged by Lessee to be in good order and condition. Continuously throughout the Term hereof, Lessee will keep the Leased Premises, its fixtures and appurtenances in good condition and order and will not allow any injuries or damage thereto, will conform to and comply with all laws, orders and regulations of any governmental authorities having jurisdiction over the Leased Premises; and at the end of the term hereof will surrender the Leased Premises in good condition and order as received, ordinary wear and tear excepted. *The Landlord acknowledges that the Tenant, the City of Lincoln, a political subdivision in the State of Nebraska, is self insured for general liability and workers compensation.*

7. ALTERATIONS, IMPROVEMENTS, AND CONSTRUCTION: Lessee shall not, without obtaining Lessor's prior written consent, make any alterations, additions, installations, improvements or decorations on or to the Leased Premises (collectively an "Improvement"). At such time as Lessee requests Lessor's consent to an Improvement, Lessee shall furnish to Lessor a complete set of plans and specifications for the work to be done.

Any Improvement, together with any painting, electrical, mechanical, plumbing, or carpentry work or any other labor required for the installation of tenant improvements and/or equipment (collectively, "Work") shall be done at the expense of Lessee and only by employees of Lessor or

by persons duly authorized by Lessor such determination of who performs work shall be selected after a cost comparison is performed.

In the event Lessee proposes to do any Work without using the services of Lessor's employees or authorized persons as aforesaid, Lessee shall, in addition to complying with any other applicable requirements of this Section 6, present to Lessor a description of the Work in reasonable detail and with such plans and drawings as Lessor may require, together with proof of the insurance coverage of the party proposed to do such Work, which must be in all respects satisfactory to Lessor, naming Lessor as an additional assured, and, if so required by Lessor, including bonds for payment and performance of the Work naming Lessor as an additional assured.

No Work may (i) violate any governmental regulation governing the Building, (ii) increase the insurance rating for the Building, (iii) interfere with the occupancy of Lessor or any other lessee in the Building, (iv) impose any additional expense on Lessor, (v) change, impair or weaken the structural integrity of the Building or any service systems in it.

Lessee agrees that in the event any lien is filed against the Leased Premises or the Building on account of any Work, then Lessee shall discharge such lien, by bond or payment, within ten (10) business days after the filing, all at Lessee's sole cost and expense.

All Work is and shall be owned by Lessor, and shall remain in and be surrendered with the Leased Premises at the termination of this Lease.

8. CASUALTY PROVISIONS: In the event that the entire Leased Premises, or a material portion (as hereinafter defined) thereof, are rendered unfit for occupancy due to fire, unavoidable casualty, or Act of God, either party may elect to terminate this Lease by delivering written notice to the other party within ninety (90) days of the date of such damage or destruction, in which event this Lease shall terminate as of the date of such destruction and the Lessee shall pay rent only to the time of such termination. The portion of any advance lease payment which is attributed to the period of time after this lease has been terminated in the above manner shall be refunded by the Lessor to the Lessee. If less than a Material Portion of the Leased Premises is damaged or destroyed, Lessor shall be responsible for repairing the same in a timely manner at Lessor's own expense and the rental payments shall be suspended to the extent that the Leased Premises are unfit for use by Lessee in the ordinary conduct of its business until said Leased Premises have been put in proper condition for occupancy, except that Lessor shall not be required to repair or reconstruct any personal property, furniture, trade fixtures or office equipment which are located in the Leased Premises and are removable by Lessee under the provisions of this Lease. Notwithstanding the foregoing, if the Leased Premises or any other portion of the Building is damaged by fire or other casualty resulting from the negligence of Lessee or any of Lessee's agents or employees, Lessee shall be liable to Lessor for the cost and expense of the repair and restoration of the Leased Premises or the Building caused thereby to the extent such cost and expense is not covered by insurance proceeds. "Material Portion" as used in this section shall mean that more than fifty percent (50%) of the Leased Premises, on a square footage basis, have been rendered unfit for use by Lessee in the ordinary conduct of its business as a result of the fire or other casualty.

9. SUBROGATION: Lessor and Lessee shall make no claim for recovery, one against the other, and each expressly waives any right of recovery, one against the other, for damage to or loss of the Leased Premises, any improvements thereon, and contents therein, which damage or loss may arise by fire or any other peril covered by any policy of insurance in which said policy or

policies Lessor or Lessee is or may be the assured and when said loss is caused by or results from any acts or carelessness or negligence of either Lessor or Lessee, their agents, employees or other persons under their respective control.

10. REPAIRS TO THE PREMISES: Lessor agrees to maintain and make all necessary repairs to the roof, structural elements, exterior walls, exterior doors, exterior windows, exterior corridor windows, and corridors of the building. Lessor agrees to keep the exterior and interior of the Building housing the leased premises in a safe, clean, neat and attractive condition. Lessor agrees to keep all Building equipment such as elevators, plumbing, heating, ventilating, air conditioning, and similar equipment in good repair, but Lessor shall not be liable or responsible for breakdowns or temporary interruptions in service where reasonable efforts are used to restore service. Lessor agrees to maintain and make repairs, if necessary, to interior walls, floors, glass and ceilings. Lessor agrees to make the original installation of all light bulbs, fluorescent and incandescent which are required for the leased premises at the inception of this lease. Lessee agrees to pay for replacement of all light bulbs, fluorescent, and incandescent on an as needed basis during the term of the lease. The Lessee will pay for the Lessor's time, materials and disposal fees to change and dispose of the lightbulbs.

Lessee agrees that it will pay for any repairs to the Leased Premises or Building made necessary by the negligence or willful misconduct of the Lessee or its employees, agents or visitors.

11. SERVICE AND UTILITIES: Lessor shall pay for all utilities servicing the leased premises which shall include but not be limited to all water, heat, air conditioning, electricity, janitorial service and other utilities, excluding telephone and Internet. Lessor agrees to furnish the leased premises with (a) water and electricity suitable for general office purposes, (b) heat and air conditioning in an amount for the comfortable occupation of the premises, and (c) daily janitorial service during the times and in the manner that such services are, in lessor's judgment, customarily furnished in comparable office buildings in the downtown Lincoln area.

12. BUILDING DIRECTORY; SIGNAGE: Lessor will maintain a Building Directory in the entrance lobby of the Building with names and addresses of the tenants of the Building including Lessee properly numbered and lettered, but any changes in Lessee's listing thereon will be at Lessee's expense. In all other respects all signage in or about the Building, including all walls, doors, or windows of the Leased Premises visible from outside the Leased Premises, shall in style, content and all other matters be subject to the exclusive control of Lessor, except that Lessee may, at its expense, have one (1) building standard sign situated near the entrance to the Leased Premises, containing the name and suite number of Lessee. It is specifically agreed and understood that Lessee shall be prohibited from placing any signs or other forms of advertisement on the inside or outside of any exterior windows. Some signage requests that exceed building standard, at management's discretion, will be billed back to Lessee.

13. KEYS: Lessee will be supplied, free of charge, with two (2) keys for each corridor door entering the Leased Premises, and additional keys will be furnished at a reasonable charge by Lessor on an order signed by Lessee or Lessee's authorized representative. All such keys shall

remain the property of Lessor. No additional locks shall be allowed on any door of the Leased Premises, and Lessee shall not make, or permit to be made, any duplicate keys, except those furnished by Lessor. Upon termination of this Lease, Lessee shall surrender to Lessor all keys of the Leased Premises, and give to Lessor the explanation of the combination of all locks for safes, safe cabinets and vault doors, if any, in the Leased Premises.

14. LIABILITY; INDEMNITY; INSURANCE: To the fullest extent permitted by law, the Lessee shall indemnify, defend and Hold Harmless the Lessor, its officers, agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorney's fees, arising out of or resulting from the use of the Leased Premises by the Lessee that results in any claim for damage whatsoever, including without limitation, any bodily injury, sickness, disease, death or any injury to or destruction of tangible or intangible property, including any loss of use resulting therefrom, and that are caused in whole or in part by the intentional or negligent act or omission of the Lessee or anyone directly or indirectly employed by the Lessee or anyone for whose acts any of them may be liable. This section shall not require the Lessee to indemnify or Hold Harmless the Lessor for any losses, claims, damages and expenses arising out of or resulting from the negligence of the Lessor.

Similarly, to the fullest extent permitted by law, the Lessor shall indemnify, defend, and Hold Harmless the Lessee its officers, agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorney's fees, arising out of or resulting from the use or maintenance of the Premises or Building by the Lessor that results in any claim for damage whatsoever, including without limitation, any bodily injury, sickness, disease, death or any injury to or destruction of tangible or intangible property, including any loss of use resulting therefrom, and that are caused in whole or in part by the intentional or negligent act or omission of the Lessor or anyone directly or indirectly employed by the Lessor or anyone for whose acts any of them may be liable. This section shall not require the Lessor to indemnify or Hold Harmless the Lessee for any losses, claims, damages and expenses arising out of or resulting from the negligence of the Lessee.

15. ACCESS TO PREMISES: Lessor and Lessor's agents shall have the right at all times to enter the Leased Premises, by pass key or otherwise, to examine same; or to make such repairs, decorations, additions or alterations as may be necessary for the safety, betterment, improvement and/or preservation thereof, or of the Building; or to show the Leased Premises for rental purposes; or to do any other act that Lessor is permitted to do under this Lease. No action taken by Lessor or Lessor's agents under this Section 18 shall in any manner affect the obligation of the Lessee hereunder.

16. SALE AND ASSIGNMENT: Lessor shall have full right to sell or assign its interest in and rights to this Lease to any other person, firm or corporation capable of accepting such sale or assignment. In the event that the purchaser or assignee expressly covenants and agrees to accept and assume all the covenants, conditions and stipulations of the Lease and to comply with and be bound thereby, and to assume all liability of Lessor theretofore or thereafter arising, then Lessor shall thereupon be released from all liability under this Lease, and thereafter all liability in respect thereof shall rest upon the assignee alone. Any purchaser or assignee from Lessor may, subject to

the provisions hereof and upon the same terms and conditions, sell or assign his or its interest in and rights to this Lease and like subsequent assignments may be made from time to time by anyone at any time owning such interest in and rights to this Lease.

17. SUBORDINATION: The Lessor reserves the right to subject this Lease, at all times, to the lien of any mortgage or mortgages hereafter placed upon the Building by Lessor, its successors or assigns, and Lessee hereby agrees that this Lien and its rights hereunder shall be subordinate and inferior to any such mortgage or mortgages and the rights of any mortgagee thereunder, automatically and without the need for any further documentation, provided, however, as a condition to the subordination, so long as Lessee is faithfully discharging its obligations under this Lease, its tenancy shall not be disturbed, nor shall this Lease be affected by any default under such mortgage, and in the event of foreclosure or any enforcement of any such mortgage, the purchaser at such foreclosure sale shall be bound to Lessee for the term of this Lease, and the rights of Lessee hereunder shall expressly survive, and this Lease shall in all respects continue in full force and effect so long as Lessee performs all of its obligations hereunder. Notwithstanding, the Lessee covenants and agrees to execute and deliver upon demand of the Lessor, its successors or assigns, such further instruments subordinating this Lease to the lien of any such mortgages, on the terms and conditions provided above, whenever same shall be desired or requested by any mortgagee or proposed mortgagee, or by Lessor.

18. ESTOPPEL CERTIFICATE: Lessee agrees that within ten (10) days of being requested to do so by Lessor or any mortgagee or proposed mortgagee, it will execute and acknowledge the status of this Lease and the performance of Lessor's obligations under this Lease as of the date of such estoppel certificate.

19. ASSIGNMENT AND SUBLETTING: Lessee will not sell, assign, mortgage or transfer this Lease ("assignment"), or allow any lien upon the Lessee's interest by operation of law, without the prior written consent of the Lessor. Lessee shall by notice in writing advise Lessor of its intention from, on, and after a stated date (which shall not be less than thirty (30) days after date of Lessee's notice) to enter into an assignment for the balance or any part of the term, and, in such event, Lessor shall have the right, to be exercised by giving written notice to Lessee thirty (30) days after receipt of Lessee's notice to cancel and terminate this Lease with respect to any or all of the space therein described, as of the date stated in Lessee's notice. Lessee's said notice shall state the name and address of the proposed assignee and a true and complete copy of the proposed assignment shall be delivered to Lessor with said notice. If Lessee's notice shall cover all of the Leased Premises, or if Lessor shall give its aforesaid notice to be restored to possession with respect to all of the Leased Premises, the term of this Lease shall expire and end on the date stated in Lessor's notice as fully and completely as if that date had been herein definitely fixed for the expiration of the term. If, however, this Lease be canceled pursuant to the foregoing with respect to less than the entire Leased Premises, the rent and all escalations herein reserved shall be adjusted on the basis of the number of square feet retained by Lessee in proportion to the number of square feet contained in the Leased Premises, as described in this Lease, and this Lease as so amended shall continue thereafter in full force and effect. If Lessor, upon receiving Lessee's said notice with respect to any such space, shall not exercise its rights to cancel as aforesaid Lessor shall still have the right to withhold its consent to Lessee's assigning the space covered by its notice but such

consent shall not be unreasonably withheld. In the event Lessee elects to assign as stated above, and such assignment is approved by Lessor, and further if such assignment results in a profit to Lessee, the Lessee and Lessor shall share equally in all profits realized from such assignment. Lessee shall have the right to sublet the premises to any party or governmental subdivision with the approval of the Lessor. Lessee shall submit in writing a request to sublet said Premises to Lessor. Lessor agrees to respond within ten (10) days from receiving said request. Any Sub Lessee of the Lessee must agree to abide by all of the terms and provisions of this Lease. Should the rental rate of a Sub Lessee of the Lessee amount to a rental rate above the rates specified in paragraph 3, Lessee agrees that 50% of the rate above the rental rate will be provided to Lessor.

Any subletting or assignment hereunder shall not release or discharge Lessee of or from any liability, whether past, present or future, under this Lease, and Lessee shall continue fully liable hereunder. The sublessee or sublessees or assignee shall agree to comply with and be bound by all of the terms, covenants, conditions, provisions and agreements of this Lease to the extent of the space sublet or assigned, and Lessee shall deliver to Lessor promptly after execution, an executed copy of each such sublease or assignment and an agreement of compliance by each such sublessee or assignee.

Anything herein to the contrary notwithstanding, Lessee shall have absolutely no right to sublet or assign any part of the Leased Premises to any person then leasing or occupying space in the Building without the Lessor's approval which will not be unreasonably withheld.

Any attempted sale, assignment, mortgage, transfer, or subletting of this Lease which is not in compliance with the provisions of this Paragraph shall be of no effect and void.

20. DEFAULT; LESSOR'S LIEN; ATTORNEY'S FEES: In case Lessee fails to pay any installment of rent punctually when due, or fails to perform on demand, or violates any of the covenants, conditions, provisions or agreements herein contained, or if petition in bankruptcy shall be filed by or against Lessee, or if Lessee becomes insolvent, or if proceedings are taken by or against Lessee looking to the appointment of a receiver or syndic, or for a respite, or if Lessee, without the written consent of Lessor, closes the Leased Premises or discontinues active business therein for a period of five (5) consecutive business days, or abandons, vacates or misuses the Leased Premises, or makes or attempts to make any sale or removal of the principal part of the merchandise, movables or contents in the Leased Premises on which Lessor has a lien, or by any other means attempts to deprive Lessor of its lien thereon, or denies Lessor the opportunity of showing the Leased Premises to prospective tenants, as herein stipulated, then in said events or any of them, Lessor may, ten days after written notice of the default from Lessor to Lessee and if such default has not been corrected, at Lessor's option, without any putting in default: (1) proceed for past due installments of rent, reserving its right to proceed later for the remaining installments, or (2) declare all of the unpaid installments of rent at once due and exigible, and the whole thereof shall become and be immediately due and payable, anything herein to the contrary notwithstanding, and proceed to enforce its legal remedies hereunder; or (3) cancel this Lease, and immediately expel Lessee, without, however, waiving Lessor's right to collect from Lessee any damages suffered by Lessor together with all installments of rent and all other payments due and owing for the period up to the time Lessor regains occupancy. Lessee hereby assents thereto and waives all legal notice to vacate the Leased Premises. Lessor may remove, or cause to be removed, all effects from the Leased Premises and store the same in Lessor's or Lessee's name, but at the cost, expense

and risk of Lessee, without liability to Lessor for loss or injury thereto, and without prejudice to Lessor's lien and privilege securing all the sums aforesaid. Failure to strictly and promptly enforce any of the above rights shall not operate as a waiver of any of Lessor's rights, Lessor expressly reserving the right always to enforce all of the terms of this Lease, or to exercise the option above set forth, as well as all rights belonging to Lessor by law, regardless of any extension or indulgence previously granted. In the event that the Lessor, after written notice from the Lessee indicating that Lessor has failed to comply with any requirements of this lease in regard to a specified condition, shall fail, refuse or neglect to comply therewith, within thirty (30) days of written notice thereof from Lessee to Lessor, or in the event of any emergency constituting a hazard to the health or safety of the Lessee's employees, property or invitees, the Lessee may perform such maintenance or make such repair at its own cost and, in addition to any other remedy the Lessee may have, may deduct the amount thereof from the rent that may then be or thereafter become due.

Should counsel be employed to enforce the obligations or rights of either party in court, attorney fees are allowed to the successful party in litigation where provided by Nebraska state statute. The parties agree that state statute does not allow for recovery of attorney fees.

21. HOLDOVER: If, upon the termination of this Lease, whether by expiration or cancellation, Lessee shall, for any reason whatsoever, fail, neglect or refuse to vacate or deliver possession of the Leased Premises to Lessor, then Lessee shall be obligated for and shall pay to Lessor, by way of liquidated damages, and not as a penalty, two (2) times the rental per day stipulated herein for each day that Lessee, its agents or employees, may occupy any part of the Leased Premises, after the day on which the Lease is so terminated; but the provisions of this clause shall not operate as a waiver by Lessor of any right of re-entry hereinbefore provided; nor shall any waiver by Lessor of Lessor's right to terminate this Lease for breach of covenant affect Lessor's right to terminate this Lease for any later breach of the same or another covenant; and this Lease shall not be considered reconducted but instead Lessee, its agents and employees shall be considered to occupy the Leased Premises at the will of Lessor.

22. WAIVER: No waiver of any condition expressed in this Lease shall be implied from any neglect or delay of Lessor to declare a forfeiture, or exercise any other remedy hereunder on account of the violation of such condition, and no express waiver shall affect any condition other than the one specified in such waiver and then only for the time and in the manner as such waiver specially stated.

23. CHOICE OF LAW: All rights and remedies of Lessor under this Lease shall be cumulative and none shall exclude any other rights or remedies allowed by law; and this Lease is declared to be a Nebraska contract and, as such, all of the terms hereof shall be construed according to the laws of the State of Nebraska.

24. NOTICES: Any notice to be given under this Lease by Lessor to Lessee shall be in writing and considered duly given when sent by certified mail or express mail service, with postage prepaid and return receipt requested; or, sent by a nationally utilized overnight delivery service; or, left at the Leased Premises.
